Value via projects

PRINCE2® Foundation

Description

Main goals of the training PRINCE2® Foundation:

- Detailed presentation of the PRINCE2® 7th methodology
- Presentation of mechanisms for efficient project control and monitoring
- Presenting business and project risk management methods
- Presentation of the structure of questions and rules of conducting the exam
- Preparation to pass the PRINCE2® 7th Foundation exam and obtain a certificate

To whom do we recommend the training?

- People interested in obtaining a PRINCE2® Foundation certificate
- Experienced project managers who have so far run projects intuitively
- People starting a career in the world of project management
- Management staff involved in projects
- People interested in improving their competences in project management

What does the exam looks like?

- Duration: 60 minutes
- 60 multiple choice questions
- Passing requires obtaining 60% correct answers
- No possibility to use teaching aids
- Language: Polish, English
- Participants choose an online exam date from among those provided by the Accreditor, the exam registration voucher is valid for one year

Participants after completing the training:

- They know exactly the roles and responsibilities in the project and carry out tasks more effectively, using proven action patterns

- They have documentation templates consistent with the methodology that they can use in their own projects
- They have the international PRINCE2® 7th Foundation certificate and are able to translate the acquired knowledge into independently run projects

Languages and locations:

We provide PRINCE2® Foundation training online and in-person in Warsaw. Trainings are held in Polish and English. We also organize closed training in other cities in Poland. During each training, in addition to the necessary basic knowledge, we try to provide practical tips supported by the experience of trainers.

Second attempt at the exam "Take2"

In the package with the training, exam and textbook, you can also opt for the Take2 add-on, which allows you to retake the exam in the event of failure. People who decide to purchase the exam retake immediately can retake the exam within 6 months of the first exam. The Take2 option can only be purchased before starting the training.

Important information!

Due to the update of PRINCE2® 7th training, in accordance with People Cert guidelines, we would like to inform you that:

- exam vouchers + access to the e-book + OTM for the 6th edition of PRINCE2® can be purchased until June 30, 2024.
- the last day when participants can take the PRINCE2® 6th exam is December 31, 2024.
